PREMIUM KNITTING AND
CROCHET TOOL CATALOGUE

INTERCHANGEABLE SETS

Westing Bridge LLC designs, manufactures and wholesales the complete line of ChiaoGoo premium stainless steel, bamboo, and wood knitting and crochet tools. We are dedicated to offering high quality products with great overall value and have been doing so for 20 years!

We are excited to have added to our product line the individually packaged carbon fiber Forté™ tips and are also working on QUADS™, our stainless steel, square interchangeable tips and set which will be released late 2025.

Our stainless steel products are made of surgical, stainless steel that is hypoallergenic and, in most cases, not reactive to sensitive skin. They have a nice smooth, satin sheen that won't reflect any light making it hard to see your work. They are lightweight and strong! The needle is precisely machined resulting in perfect tips and joins.

ChiaoGoo bamboo needles are made of Moso bamboo, the largest and strongest bamboo in the world. Our craftsmanship is the result of over 100 years of experience passed down by generations of skilled craftsmen. Due to the quick, renewable nature of bamboo, we are proud that the products we offer are eco-friendly.

We take pride in providing excellent customer service to our customers in the United States and abroad. In order to do this and deliver our ChiaoGoo products to all corners of the world, we have established a strong network of distributors with whom we cooperate and respect.

Thank you for your interest in our ChiaoGoo products.

Our interchangeable system, comprised of our TWIST™, Forté™, SPIN™ and T-SPIN™ sets, offers the largest range of tip lengths, sizes and cable lengths. It spans three different join sizes: Mini [M], Small [S], and Large [L]. All similarly-coded pieces and parts are switchable.

TWIST stainless steel interchangeable tips span in size range from US000 (1.5 mm) to US15 (10 mm) and are available in up to four different lengths: 2", 3", 4" & 5" (5, 8, 10 & 13 cm). They have [M], [S] or [L] join sizes.

TWIST red, blue X-Flex and now silver SWIV360 interchangeable cables are available in nine different lengths. However, not all come with [M], [S] or [L] joins.

Forté 5" (13 cm) stainless steel and carbon fiber tips span in size from US2 (1.5 mm) to US15 (10 mm). They are made with patent-pending technology and have [S] or [L] joins.

SPIN bamboo interchangeable tips span in size range from US2 (2.75 mm) to US15 (10 mm) and come in two different lengths: 4" & 5" (10 & 13 cm). They have [S] or [L] join sizes.

Our T-SPIN Tunisian interchangeable set comes with 11 hooks in sizes E (3.5 mm) to N (10 mm) and four [S] TWIST red cables.

Our QUADS™, 5" (13 cm) square, stainless steel interchangeable tips and set, will be **introduced late 2025**.

Join adapters are available to connect a larger-sized ([L] or [S]) tip to a smaller-sized ([S] or [M]) cable.

Refer to pages 45 & 46 for a detailed breakdown of our interchangeable system.

INTERCHANGEABLE SETS

FORTÉ™ 2.0

Forté 2.0, includes tips that are an elegant combination of sleek, stainless steel ends and shafts made of either carbon fiber or luxurious, African Blackwood.

Made of REACH compliant man-made material, the Forté case is just as elegant and functional as the tips and cables. It includes a double-sided, removable needle board that firmly houses all tips; elastic that securely holds but gives easy access to accessories; and four pockets to hold the rest of your knitting supplies including a spot for your pattern or notes. And, true to our other cases, it opens book-style with a full zipper closure to ensure that nothing falls out.

The set includes 14 pairs of 5" (13 cm) tips US2-15 (2.75-10 mm). The shafts on sizes US2-8 (2.75-5 mm) are made of carbon fiber while those for sizes US9-15 (5.5-10 mm) are made of Blackwood. Each steel end is laser etched with the tip diameter or join size. It will not wear off ever. The set comes with nine cables total; six memory-free, silver SWIV360 cables and three red, [S] TWIST cables. Also included are steel scissors, a measuring tape, end stoppers, stitch markers, darning needles, adapters, a swatch/needle gauge and much more! Plus, all Forté parts and pieces have [S] or [L] size joins so they are switchable with all of our other similarly coded interchangeable sets.

INTERCHANGEABLE SETS

FORTÉ™ 2.0

INTERCHANGEABLE SETS

TWIST SHORTIES™

Our 2" AND 3" (5 & 8 cm) TWIST Shorties interchangeable system allows knitters to make 9" (23 cm) through 14" (36 cm) circulars – including differentials. Both sets include a tip sleeve, three cable lengths, end stoppers, tightening keys, connectors, stitch markers and a mini needle gauge all in a pocket-sized nylon fabric pouch.

2"/3" (5 CM & 8 CM) SHORTIES SETS

Item #	US	Metric
7230-M	0-3	2.0 - 3.25
7230-S	4-8	3.5 - 5

All tips in the Red and Blue Shorties sets are solid steel and have a tightening hole EXCEPT the 3" (5 cm) sizes US4 - US8 (3.5 mm - 5 mm).

INTERCHANGEABLE SETS

TWIST SHORTIES™

Our Shorties [L] extension set includes 3" (8 cm) long tips in sizes US9 – 11 (5.5 – 8 mm) and cables to make 12" (30 cm) or 14" (36 cm) long circulars. The set comes in a yellow pocket-pouch and includes three of our SWIV360 cables, stoppers, connectors, stitch markers, a needle gauge, heart-shaped rubber gripper and tip sleeve.

This set is great for knitting sleeves in-the-round!

INTERCHANGEABLE SETS

TWIST MINIS™

The TWIST MINI Stainless Steel Lace Interchangeable sets come with five pair of tips including US000 (1.5 mm), US00 (1.75 mm), US0 (2 mm), US1 (2.25 mm) and US1.5 (2.5 mm). Our **4" MINI (10 cm) set** has solid tips that include a tightening hole allowing knitters to use two tightening keys at once (pictured) for secure connections. This set comes with three cable lengths to make 16" (40 cm), 22" (56 cm) and 30" (76 cm) circulars.

Our **5" MINI (13 cm) set** has hollow tips and comes with three cable lengths to make 24" (60 cm), 32" (80 cm) and 40" (100 cm) circulars.

TWIST red cables are memory free! They consist of a multi-strand, steel cable coated with red nylon. Both MINI sets also include a needle gauge and MINI Tools Kit that contains cable connectors, end stoppers, tightening keys, stitch markers & a gripper. A sleeve with labeled pockets securely holds the tips. Everything fits in a compact, 2-pocket, black mesh pouch that fits into our current interchangeable case!

4" (10 CM) MINI SET

Item #	US	Metric
7400-M	000 - 1.5	1.50 - 2.50

These tips are solid and have a tightening hole.

5" (13 CM) MINI SET

Item #	US	Metric
7500-M	000 - 1.5	1.50 - 2.50

These tips are hollow with no tightening hole.

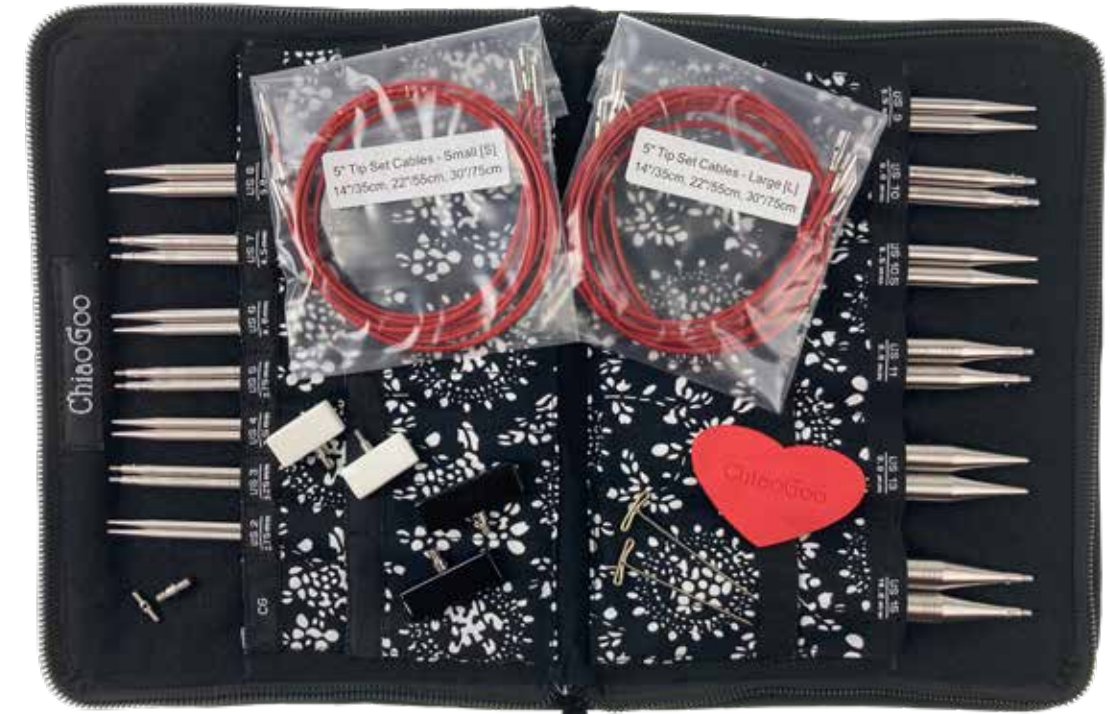

Pouch dimensions: 6 1/2" (17 cm) x 5" (13 cm)

MINI tips, cables and accessories are not compatible with our other [S] and [L] sized interchangeable systems.

Connectors, end stoppers, tightening keys, stitch markers, a needle gauge and a compact, green-ribboned, fabric case are all included with these sets.

INTERCHANGEABLE SETS

T-SPIN™

Our T-SPIN Tunisian interchangeable set comes with 11, 5.7" (14.5cm) hooks in sizes E (3.5 mm) through N (10 mm), including size 7 (4.5 mm), four TWIST [S] red cables (two 8" /20 cm, one 14" /35 cm and one 22" /55 cm), four end stoppers, four adapters, two connectors, tightening keys a needle gauge, and a compact, zippered, book-style case with individually labeled pockets and an outside zippered pocket.

The hooks are made of Moso bamboo, have a pointy head to get into your stitches and a stainless steel join. The size is permanently laser marked on each hook. Size I (5.5 mm) and larger hooks will fit the cables with the help of the adapters. These hooks are compatible with our [S] and [L] join cables and are available for separate purchase.

CIRCULARS

RED LACE™ STAINLESS STEEL

Our premium fixed Lace Stainless Steel Circulars are available in six different lengths ranging from 16" (40 cm) through 60" (150 cm). They have the same awesome red, memory-free cable, perfect joins and overall quality as our original Knit REDs. Made of surgical stainless steel they have a smooth, satin-sheen finish that won't reflect any light making it hard to see your work. The spectacular lace tips and joins are precisely machined and are lightweight and strong. Needle size is laser imprinted on each circular. Great for both lace and non-lace projects!

CIRCULARS

KNIT RED™ STAINLESS STEEL

6012-6

Our original line of fixed Knit RED Stainless Steel Circulars uses a flexible, multi-strand, steel cable coated with red nylon that allows your yarn to slide right over and has NO memory. Made of surgical stainless steel they have a smooth, satin-sheen finish that won't reflect any light making it hard to see your work. The spectacular tips and joins are precisely machined and are lightweight and strong. They are available in six different lengths ranging from 9" (23 cm) through 40" (100 cm). The 12" (30 cm) and longer lengths have a bend in the needle to help ease hand fatigue. Needle size is permanently laser imprinted on each circular.

CIRCULARS

BAMBOO / WOOD

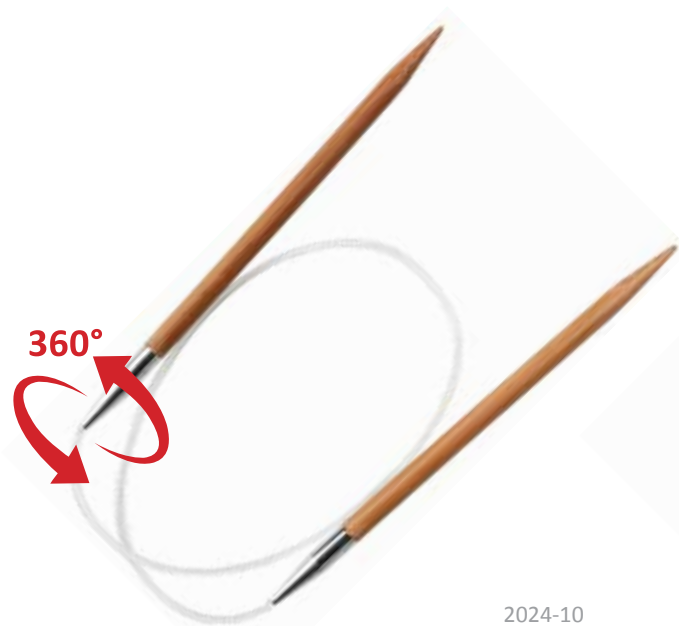

2012-2

Our fixed Bamboo/Wood Circulars are available in six different lengths ranging from 9" (23 cm) through 40" (100 cm). They are made of Moso bamboo and lightweight wood. Moso bamboo is the largest and strongest bamboo out of over 1,000 different species.

Sizes US0 (2 mm) through US2.5 (3 mm) have the same type memory-free cable as our RED circulars and TWIST cables! Sizes US3 (3.25 mm) and larger have a metal join that is glued and crimped to guarantee no separation. The joins are fantastic, the nylon cable is pliable and the tips swivel freely on sizes US3 (3.25 mm) through US15 (10 mm)!

Needle size is permanently laser imprinted on each circular. Available in patina color only.

DOUBLE POINTS

Our Patina and Natural Color Bamboo Double Points have precisely tapered, hand-crafted tips. They are made of Moso bamboo which is the largest and strongest bamboo out of over 1,000 different species. The size is permanently laser imprinted on each needle. The patina color is obtained with thermal heat.

Our surgical, Stainless Steel Double Points come in both 6" (15 cm) and 8" (20 cm) lengths. They have a smooth, satin-sheen finish that won't reflect any light making it hard to see your work. They are lightweight and strong with nicely tapered tips!

	3	3.25

This Stainless Steel Double Point Sock Set includes six sets of 6" (15 cm) double points in sizes US0 (2.0 mm), US1 (2.25 mm), US1.5 (2.5 mm), US2 (2.75 mm), US2.5 (3.0 mm) & US3 (3.25 mm), 12 stitch markers, a 3" (8 cm) needle gauge, and a compact, zipper-enclosed fabric case with an outside, zippered pocket and red ribbon detail. Closed case dimensions are 3 1/2" (9 cm) x 7" (18 cm).

SINGLE POINTS

BAMBOO / WOOD

Our Patina and Natural Color Single Points have precisely tapered, hand-crafted tips. They are made of Moso bamboo which is the largest and strongest bamboo out of over 1,000 different species. The size is permanently laser imprinted on each needle and cap. The patina color is obtained with thermal heat.

It is difficult to find bamboo large enough to produce needles larger than size US15 (10 mm). Because of this, any needles larger than size US15 (10 mm) are made from lightweight wood. They are well balanced and have the size permanently laser imprinted on each needle.

CROCHET

BAMBOO / WOOD

Our all-bamboo, in-line Crochet Hooks have a Chinese blessing as well as the size permanently laser marked on each hook. They have a perfectly hand-crafted, tapered hook with a precisely placed hold for comfort in your hand.

Our larger-sized, in-line Crochet Hooks are made of wood. They are lightweight and have a perfectly hand-crafted, tapered hook with a precisely placed hold for comfort in your hand.

Our Metal Head with Bamboo Handle Hooks fit easily and comfortably in your hand. Use our smallest size 16 (0.6 mm) for your beading work.

CROCHET

BAMBOO / WOOD

Our Flexible Tunisian Hooks are available in 24" (60 cm) or 32" (80 cm) and are made just like our fixed bamboo circulars. They have fantastic joins and pliable, clear, nylon cables with a nickel-plated, copper join that is glued and crimped to guarantee no separation. The hook swivels freely on the cable. Size is permanently laser imprinted on each hook. The end cap is a lightweight wood.

Size Q (15.75 mm) and larger are made from lightweight wood and have a plastic tube extension.

CROCHET

Our T-SPIN Tunisian interchangeable set comes with 11, 5.7" (14.5cm) hooks in sizes E (3.5 mm) through N (10 mm), including size 7 (4.5 mm), four TWIST [S] red cables (two 8" /20 cm, one 14" /35 cm and one 22" /55 cm), four end stoppers, four adapters, two connectors, tightening keys a needle gauge, and a compact, zippered, book-style case with individually labeled pockets and an outside zippered pocket.

The hooks are made of Moso bamboo, have a pointy head to get into your stitches and a stainless steel join. The size is permanently laser marked on each hook. Size I (5.5 mm) and larger hooks will fit the cables with the help of the adapters. These hooks are compatible with our [S] and [L] join cables and are available for separate purchase.

NOSTEPINNE

Need to wind a center-pull ball of yarn? Our Nostepinne (old Norwegian hand tool) can do the job. Approximately 11" (28 cm) long, this tool has a nice smooth finish but not too smooth. It is long enough to wind a large ball of worsted or even chunky yarn.

Item #	Description
1097	Nostepinne, Wood

YARN BUTLER

Place your ball of yarn on the spindle and ball bearings allow our Yarn Butler to spin easily as you knit or crochet. Approximately 6 1/2" (17 cm) x 10" (25 cm).

Item #	Description
1092	Yarn Butler, Wood

ACCESSORIES

FRINGER

Use our Fringer instead of a book or piece of cardboard. Non-skid pads on the bottom keep it stable. Instructions included. 17" (43 cm) long.

Item #
1093 Yarn Fringer, Wood

SWIFT

Our Amish-Style, Table-Top Swift requires no clamping! It has non-skid pads on the base to keep it from moving. Four adjustable pegs can be easily moved to accommodate a hank of yarn up to 62" (155 cm). This swift can be set up or broken down in a matter of seconds. They come in their own box for storage or keep it out on your table for everyone to admire! Replacement pegs available for separate purchase.
